The Ontology of Human Civilization

Searle
John R.
27. Mai 2015
18.15 Uhr
Hörsaal C
Campus

John R. Searle's work ranges broadly over philosophical problems of mind, language and society. Among his books are *Speech Acts* (1969), *Intentionality* (1983), *The Rediscovery of the Mind* (1992), *Rationality in Action* (2001), *Making the Social World* (2010) and *Seeing Things as They Are* (2015).

The lecture is open to all.

Organization: Hans Bernhard Schmid and Michael Schmitz.
